

Thanks for purchasing our presets!

We hope you love them
as much as we do.

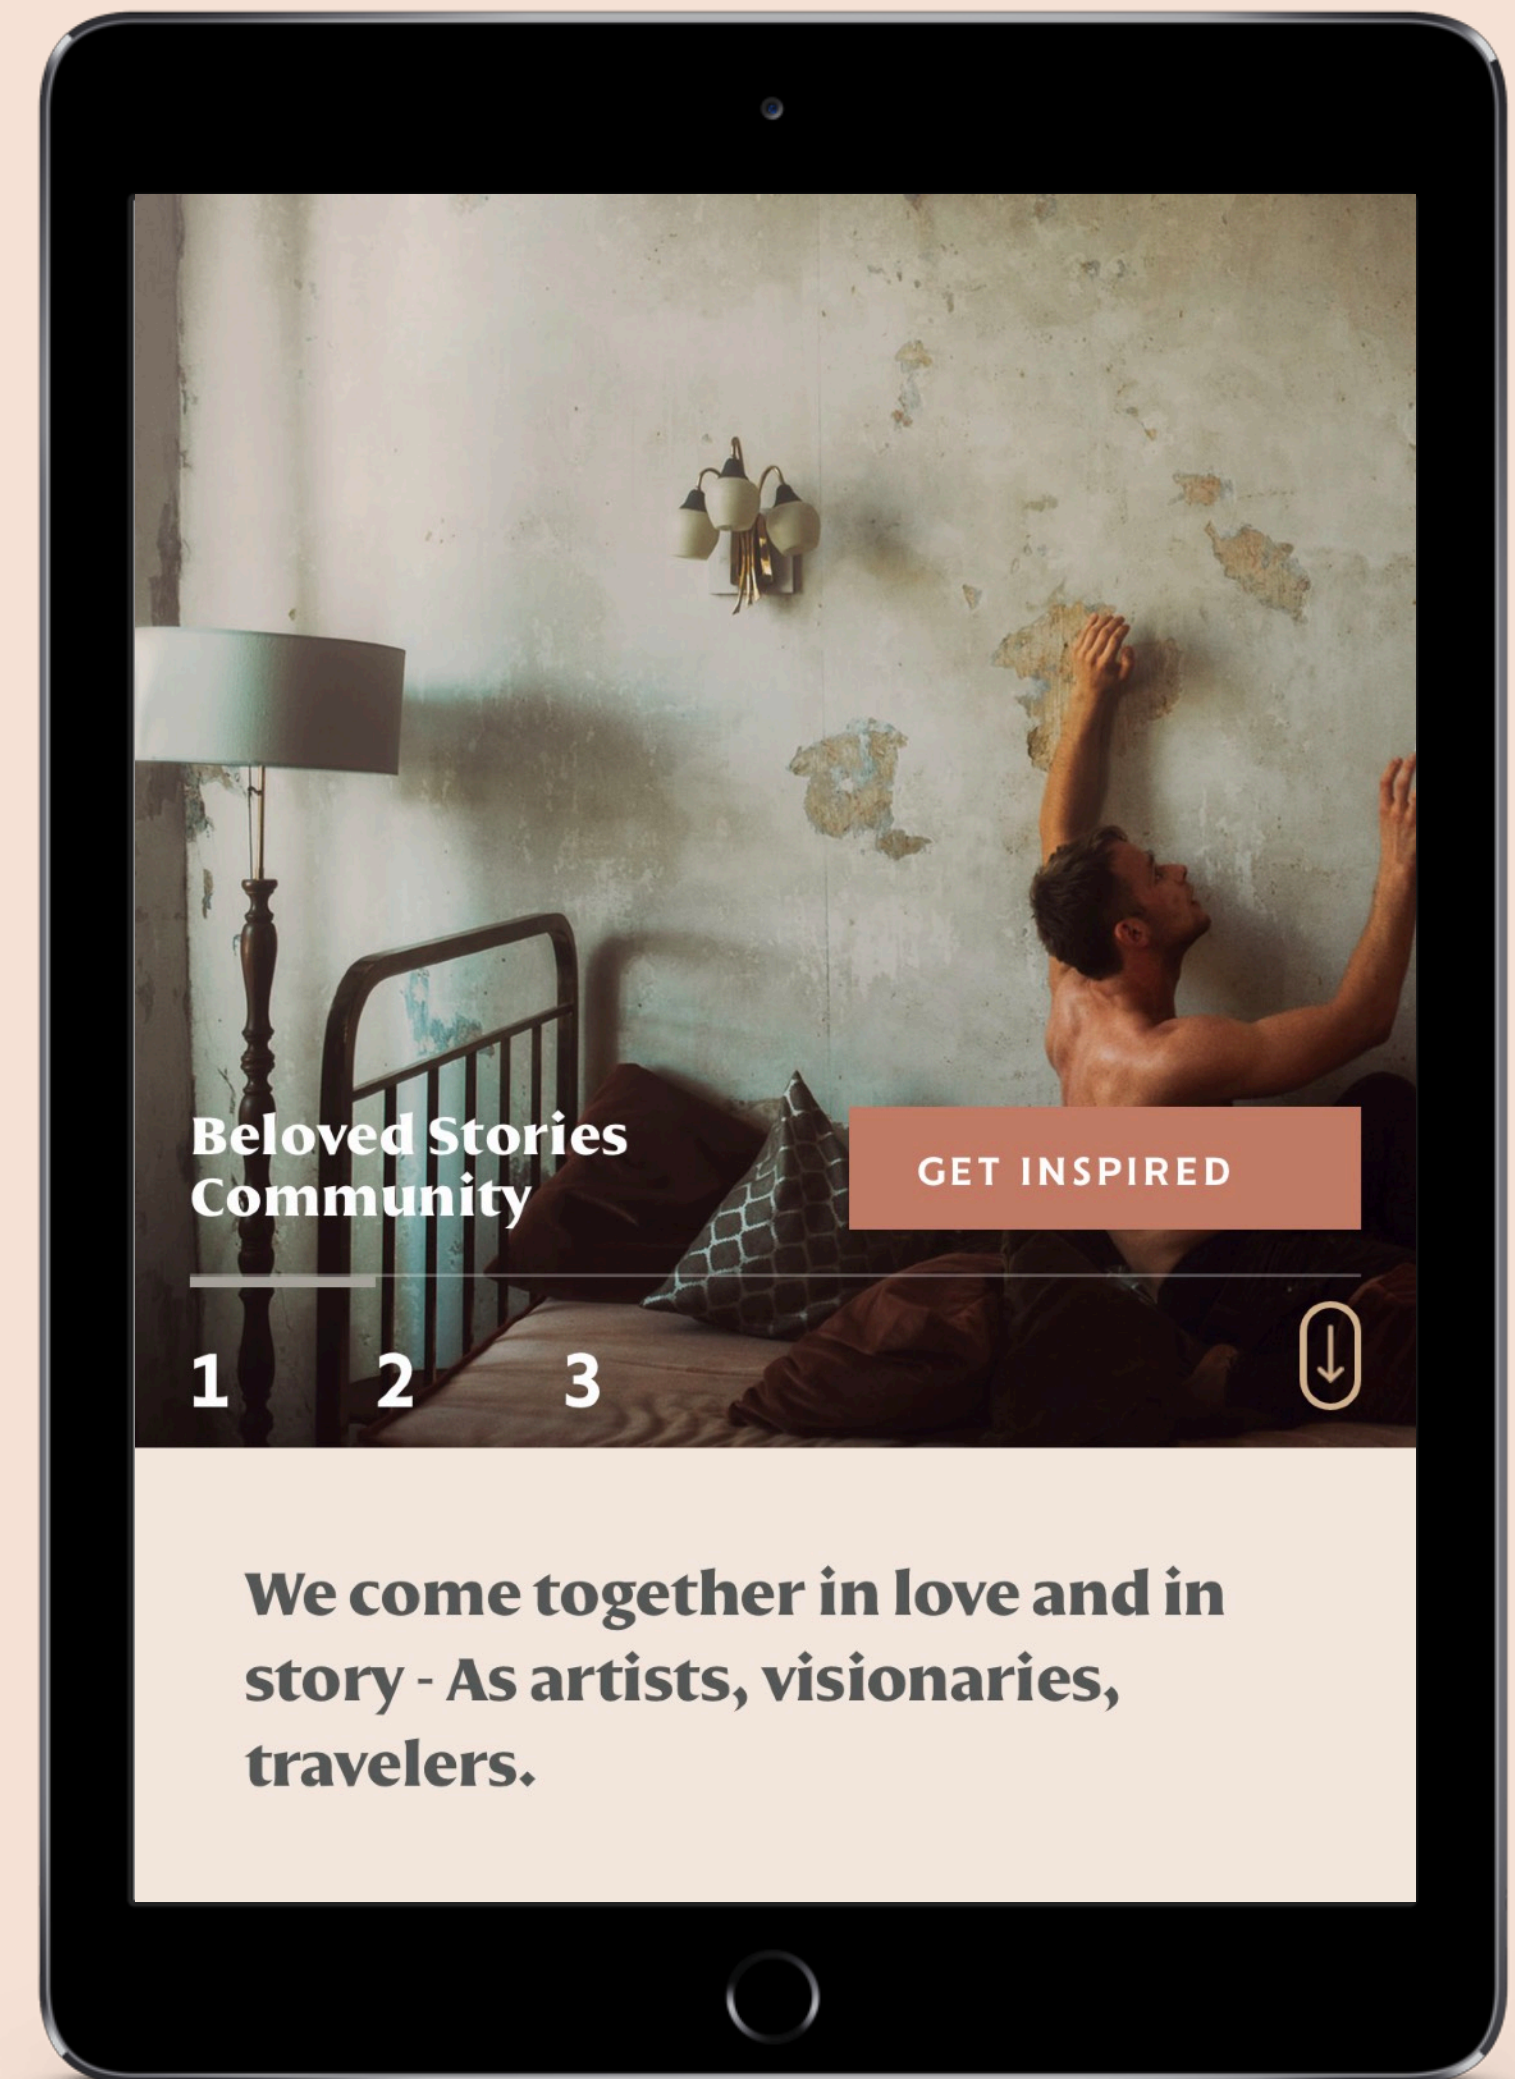

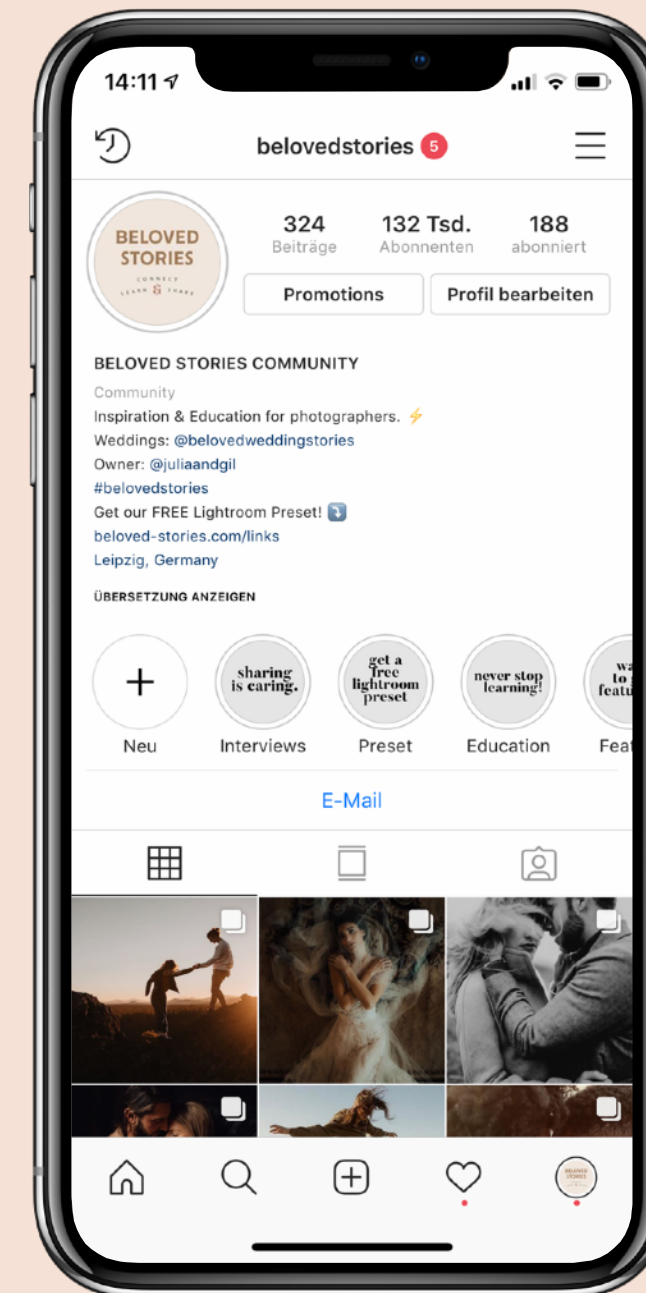

The range of presets presented here are created by talented photographers within our Beloved Stories Community. We are happy to provide their collections here and make them available to you. You get to pick from a range of individual looks, matching specific moods to help elevate your images to the next level.

It's easy. We LOVE photography. This is a space for photographers who like to photograph weddings and couples in a natural and authentic way.

Sharing is caring! We want to share YOUR work! Just join our kind and helpful [facebook](#) group and show your lovely couple and wedding pictures. We will pick the best ones and feature them on our website and [instagram](#) profile.

**Our Presets are
super easy to install.
We will show you
HERE how to do
that:**
