

- CREATIVE COLOUR PRESETS -

How to Install: (click the link to the video corresponding to the version of LR you are using)

LIGHTROOM CLASSIC CC: <https://youtu.be/LSwZSsjk3kQ>

LIGHTROOM CC (Cloud based version + mobile app): <https://youtu.be/XvwyhUgQh7A>

Or check out our Important Info page here for some more details: <https://creativecolourpresets.com/pages/how-to-install>

PLEASE NOTE THAT THESE ARE PROFESSIONAL PRESETS DESIGNED FOR USE IN ADOBE LIGHTROOM. They must be downloaded onto your computer first and installed into Lightroom from there. It is then possible to sync to your LR Mobile App for on the go editing.

Any questions please don't hesitate to email us here: hello@creativecolourpresets.com

ENJOY!
